Dustin Johnson

Did You Know? WGC-Dell Technologies Match Play

- Dustin Johnson's victory at last year's WGC-Dell Technologies Match Play was his second European Tour International Schedule title of the 2017 season, following on from his win in the WGC-Mexico Championship.
- Johnson became the first man to capture all four World Golf Championships, defeating Spaniard Jon Rahm 1-up in the final to capture back-to-back wins. Tiger Woods has won three of the four. The only one he has failed to win to date is the WGC-HSBC Champions.
- Johnson never fell behind in any match, playing 112 holes over the week to claim his fifth career WGC title. His five victories are: WGC-HSBC Champions (2013), WGC-Mexico Championship (2015), WGC-Bridgestone Invitational (2016), WGC-Mexico Championship (2017) and 2017 WGC-Dell Technologies Match Play (2017).
- Following his victory in the 2017 WGC-Mexico Championship, he became only the second player following Woods to win consecutive WGC titles, and follows Woods and Phil Mickelson as the only players to win multiple WGC titles in the same season.
- There are five former champions in the field: Johnson (2017), Jason Day (2014-16), Rory McIlroy (2015), Matt Kuchar (2013) and Ian Poulter (2010).
- Sergio Garcia and Poulter can surpass Woods for most career matches if either makes the semi-finals. Both have competed in 37 matches; Woods has played 43.
- The Austin Country Club played host to the WGC-Dell Technologies Match Play for the first time in 2016. This was the first time a European Tour event had been played in the American state of Texas.
- Austin Country Club was the sixth different venue to stage the match play contest. They are: La Costa Resort & Spa (1999-2000, 2002-2006), Metropolitan Golf Club (2001), The Galley at Dove Mountain (2007-2008, 2013-2014), Ritz-Carlton Golf Club (2009-2012), TPC Harding Park (2015) and Austin Country Club (2016-17).
- There will be 31 European Tour Members competing at Austin Country Club in 2018.
