DID YOU KNOW? - Shot Clock Masters

- The Shot Clock Masters makes history this week as the first tournament in professional golf to use a shot clock for every shot.
- A digital clock mounted on a buggy will travel with each group and will be accompanied by a referee who will be responsible for operating the clock and determining when to start the clock for each shot. The clock will be controlled by an iPad using a bespoke app.
- The Official European Tour shot time allowances will be in force: a 50 second allowance for a "first to play approach shot (including par three tee shot), chip or putt" and a 40 second allowance for a tee shot on a par four or par five or second or third to play approach shot, chip or putt"
- On each occasion that a player fails to hit his shot within the time limits a one-shot penalty will be added to his score for the hole in question. Each player can call for a "time-extension" up to twice in any one round.
- South African Dylan Frittelli claimed his maiden European Tour title at Diamond Country Club last year after producing a final-round 67 in what was then the Lyoness Open powered by ORGANIC+. He was named the Challenge Tour Graduate of the Year at the end of the season.
- In the field this week is 2016 champion Ashun Wu, who made European

Tour history with that win by becoming the first Chinese player to record multiple European Tour victories and the first Chinese player to win a European Tour event on European soil.

- Bernd Wiesberger made history in 2012 when he claimed the title at his home event. This followed his maiden triumph at the 2012 Ballantine's Championship, making him the first Austrian to record multiple victories in the same European Tour season.
- By recording 18 straight pars on the final day in 2008, Jeev Milkha Singh claimed the title and became only the second golfer to win a European Tour event after compiling 18 straight pars in the final round. The Indian followed Sir Nick Faldo, who achieved the feat in the 1987 Open Championship at Muirfield to claim the first of his six Major Championships.
- German amateur Max Kramer made European Tour history in the 2006 tournament by becoming the first amateur to record an albatross. He achieved the feat at Fontana's ninth hole in Round One, using a six iron from 180 yards.

¹For the purpose of defining eligibility for selection for the 2018 European Ryder Cup team only, all references to Member(s) and Membership in the eligibility criteria referred to above shall mean only those European Members of the European Tour, whether Ranked Members, Affiliate Members, Honorary Life Members, Past Champions or other Members of distinction or Ranked European Members of the European Challenge Tour.

Note 1: Points won on The Ryder Cup Points List can only be earned by a Player whilst a Member¹ of the European Tour (as defined in the preceding section).

Note 2: For points earned to count within any one Official Season, a Ranked Member¹ (including a Ranked Honorary Life Member) must fulfil his Membership obligations* (referred to in Regulation B1(c)) within that Official Season.

* In the Official Season in which The Ryder Cup is to be played, if any Ranked Member¹ has not fulfilled these Membership obligations at the time when The European Ryder Cup team is selected, he must have committed to Participate in and there must remain sufficient Race to Dubai Tournaments in that Official Season for the Member to be able to do so.

Note 3: A Non-Member taking up Membership¹ of the European Tour for an Official Season that commences during the qualification period, (referred to in paragraph (1) above) can only earn points from the date of the first Race to Dubai Tournament of that Official Season or the first Race to Dubai Tournament for which the Player is a Member¹ of the European Tour, whichever is the latter.

Note 4: All decisions and/or disputes relating to a Player's eligibility for selection for a European Ryder Cup team including any issues relating to nationality, citizenship, domicile or residency of a Player will be determined by the European Tour's Tournament Committee, subject to the ratification of any such decision by the Ryder Cup Policy Board (as the same may subsequently be known) of Ryder Cup Europe LLP.
