The 147th Open Championship

Carnoustie Golf Links,
Carnoustie, Scotland
2017 CHAMPION: Jordan Spieth (USA)
PRIZE FUND: US\$10,250,000

DID YOU KNOW? - The 147th Open Championship

- Carnoustie Links has previously hosted golf's oldest Major Championship on seven occasions. It was first held at the Scottish course in 1931 and returns this week for the first time since 2007.
- Tommy Armour won the first Open to be held at Carnoustie when he came back from five shots behind to win. Armour won his third Major by shooting a record-equalling final round of 71.
- Jordan Spieth's victory last year made him only the second player after Jack Nicklaus to win three of golf's four Majors before his 24th birthday.
- South African Branden Grace made history by becoming the first player to shoot 62 in a Major Championship last year. He carded eight birdies during the third round and secured his place in the record books by rolling the ball home for par on the 18th.
- Sandy Lyle will make his 42nd consecutive Open Championship appearance this week and 43rd overall. The 1985 Champion has played 40 times as a professional and twice as an amateur. His first appearance was in 1974 and his second amateur appearance was in 1977. He has played in every Championship since, winning once when he overcame Payne Stewart by one shot. After this year's tournament, Lyle will have to qualify to play in golf's oldest Major as his winner's exemption runs out this year.
- No player has ever won multiple Open Championships at Carnoustie. Padraig Harrington would become the first with victory this week after winning the last Open to be held at the venue, in 2007.

Harrington would become the first with victory this week after winning the last Open to be held at the venue, in 2007.

- Harrington's victory in 2007 was the first of his back-to-back wins, which he secured at Royal Birkdale the following year. The Irishman is only the sixth post-war player to successfully defend an Open Championship after Bobby Locke (1949-50), Arnold Palmer (1961-62), Lee Trevino (1971-72), Tom Watson (1982-83), Tiger Woods (2005-06) and Peter Thomson, who won three in a row from 1954-56.
- Harrington began the final round six shots behind leader Sergio Garcia and eventually triumphed following a four-hole play-off, which was confirmed when the Spaniard failed to get up and down from a greenside bunker on the 72nd hole.
- Phil Mickelson is the only man to have won The Open Championship following triumph at the Aberdeen Standard Investments Scottish Open the week before, in 2013.
- Players of 14 different nationalities have won The Open Championship. The most recent country to join the list is Sweden following Henrik Stenson's victory in 2016. The others are Argentina (one), Australia (nine), England (21), France (one), Republic of Ireland (two), Jersey (seven), New Zealand (one), Northern Ireland (three), Scotland (41), South Africa (ten), Spain (three), Sweden (one), America (45), Zimbabwe (one).

Definitions

¹For the purpose of defining eligibility for selection for the 2018 European Ryder Cup team only, all references to Member(s) and Membership in the eligibility criteria referred to above shall mean only those European Members of the European Tour, whether Ranked Members, Affiliate Members, Honorary Life Members, Past Champions or other Members of distinction or Ranked European Members of the European Challenge Tour.

Note 1: Points won on The Ryder Cup Points List can only be earned by a Player whilst a Member¹ of the European Tour (as defined in the preceding section).

Note 2: For points earned to count within any one Official Season, a Ranked Member¹ (including a Ranked Honorary Life Member) must fulfil his Membership obligations* (referred to in Regulation B1(c)) within that Official Season.

* In the Official Season in which The Ryder Cup is to be played, if any Ranked Member¹ has not fulfilled these Membership obligations at the time when The European Ryder Cup team is selected, he must have committed to Participate in and there must remain sufficient Race to Dubai Tournaments in that Official Season for the Member to be able to do so.

Note 3: A Non-Member taking up Membership¹ of the European Tour for an Official Season that commences during the qualification period, (referred to in paragraph (1) above) can only earn points from the date of the first Race to Dubai Tournament of that Official Season or the first Race to Dubai Tournament for which the Player is a Member¹ of the European Tour, whichever is the latter.

Note 4: All decisions and/or disputes relating to a Player's eligibility for selection for a European Ryder Cup team including any issues relating to nationality, citizenship, domicile or residency of a Player will be determined by the European Tour's Tournament Committee, subject to the ratification of any such decision by the Ryder Cup Policy Board (as the same may subsequently be known) of Ryder Cup Europe LLP.
