Molinari wins Open Championship

Francesco Molinari became the first Italian to win a Major as he claimed a thrilling 147th Open Championship at Carnoustie. The Ryder Cup star made it three wins from six starts with the biggest victory of his career after brilliant display of controlled golf around the wind-swept links, birdieing the last for a closing 69 and eight under par total 276.

DID YOU KNOW? - PORSCHE EUROPEAN OPEN

- The 36th edition of the Porsche European Open will be held at Green Eagle Golf Courses in Hamburg for just the second time. Before hosting a European Tour tournament Green Eagle Golf Courses had previously held a Challenge Tour event, the ECCO Tour Championship, in 2010.
- The Porsche European Open returned to the European Tour International schedule in 2015 after a six-year absence. In 2015 Thailand's Thongchai Jaidee became the event's oldest winner, aged 45 years and 323 days at Golf Resort Bad Griesbach, when the event was played in Germany and continental Europe for the first time.
- In 2015 the Porsche European Open became the sixth different European Tour event to be staged in Germany.
- In 2016 France's Alexander Levy became the first 54-hole winner in the tournament's history, with fog causing long delays throughout the week.
- The European Open was first played in 1978 at Walton Heath's Old Course and won by Bobby Wadkins. Past champions include Greg

Norman, Bernhard Langer, Sandy Lyle, Sir Nick Faldo, Westwood, Retief Goosen, Darren Clarke and Colin Montgomerie. Montgomerie is the most recent winner from that distinguished list, having triumphed in 2007 at The K Club for the last of his 31 European Tour victories.

- 2017 champion Jordan Smith will look to become the third player to successfully defend the title, following Lee Westwood (1999, 2000) and Per-Ulrik Johansson (1996, 1997).
- During the 1999 European Open Clarke became the first, and still the only player to this day, to shoot a round of 60 on more than one occasion on the European Tour. The Northern Irishman first achieved the feat in the second round of the 1992 Monte Carlo Open, and seven years later he carded a 12 under par second round of 60 in the 1999 European Open at The K Club.
- During Clarke's record round in 1999 he carded 12 birdies – the joint-highest number of birdies made in one European Tour round.

In the event of a tie between Members (i.e. a number of Members having accumulated an equal number of points), placings will be decided by the Member¹ with the higher ranking on the Official World Golf Ranking as published on Monday 27th August 2018.

(c) The Captain, Thomas Bjørn, will choose (at his own discretion) the remaining four Members¹ in the week commencing Monday 10th September 2018.

1. The Ryder Cup European Points list will comprise points as follows:

(a) Each Euro of Official Money earned by a Member¹ from all Race to Dubai Tournaments in which he Participates that are scheduled to conclude between Thursday 31st August 2017 and Sunday 20th May 2018 = 1 point. (b) Each Official World Golf Ranking Point won by a Member¹ from all OWGR tournaments in which he Participates, excluding any tournament scheduled in the same week as a [European Tour] Rolex Series Tournament, that are scheduled to conclude between Thursday 24th May 2018 and Sunday 26th August 2018 and thereafter only in the Race to Dubai Tournament scheduled to conclude on Sunday 2nd September 2018 = 1.5 points.

Definitions

¹For the purpose of defining eligibility for selection for the 2018 European Ryder Cup team only, all references to Member(s) and Membership in the eligibility criteria referred to above shall mean only those European Members of the European Tour, whether Ranked Members, Affiliate Members, Honorary Life Members, Past Champions or other Members of distinction or Ranked European Members of the European Challenge Tour.

Note 1: Points won on The Ryder Cup Points List can only be earned by a Player whilst a Member¹ of the European Tour (as defined in the preceding section).

Note 2: For points earned to count within any one Official Season, a Ranked Member¹ (including a Ranked Honorary Life Member) must fulfil his Membership obligations* (referred to in Regulation B1(c)) within that Official Season.

* In the Official Season in which The Ryder Cup is to be played, if any Ranked Member¹ has not fulfilled these Membership obligations at the time when The European Ryder Cup team is selected, he must have committed to Participate in and there must remain sufficient Race to Dubai Tournaments in that Official Season for the Member to be able to do so.

Note 3: A Non-Member taking up Membership¹ of the European Tour for an Official Season that commences during the qualification period, (referred to in paragraph (1) above) can only earn points from the date of the first Race to Dubai Tournament of that Official Season or the first Race to Dubai Tournament for which the Player is a Member¹ of the European Tour, whichever is the latter.

Note 4: All decisions and/or disputes relating to a Player's eligibility for selection for a European Ryder Cup team including any issues relating to nationality, citizenship, domicile or residency of a Player will be determined by the European Tour's Tournament Committee, subject to the ratification of any such decision by the Ryder Cup Policy Board (as the same may subsequently be known) of Ryder Cup Europe LLP.
