Nordea Masters

Hills Golf Club,
Gothenburg, Sweden

2017 CHAMPION: Renato Paratore (SWE)

PRIZE FUND: €1,500,000

Renato Paratore

DID YOU KNOW? NORDEA MASTERS

- Should a home player triumph in the event, it would be the eighth Swedish victory in the history of the tournament. The Nordea Masters already holds the record for most Swedish victories in the same European Tour event, with seven: Jesper Parnevik (1995 and 1998), Joakim Haeggman (1997), Peter Hanson (2008), Richard S Johnson (2010) and Alex Noren (2011 and 2015).
- Sweden share the record for the most victories from one country at the Nordea Masters, with England. English players have also won the event on seven occasions: Sir Nick Faldo (1992), Peter Baker (1993), Lee Westwood (1996, 2000 and 2012) and Luke Donald (2004).
- Renato Paratore made history last year when he became the youngest player to win the Nordea Masters. Aged 20 years and 172 days, he triumphed by one shot at Barsebäck Golf and Country Club.
- Should Paratore defend his title he would become the first player in the history of the Nordea Masters to win the event in consecutive years.
- Fred Couples created European Tour history in this event in 1991 at Drottningholms Golfklubb, for the most birdies in a single round, when he recorded 12 in his second round of 61 (-11). Couples, the 1992 winner of the Masters Tournament, finished in a tie for sixth place.
- On his way to winning the 2011 Nordea Masters, Alex Noren led by 11 shots after 54 holes, with his total of 196 (-20). This performance ranks equal second in the European Tour's list of largest 54 holes leads.
- The first victory of Jesper Parnevik in 1995 saw him become only the second player to win a European Tour event without dropping a shot. He followed David J Russell who first established the feat at the 1992 Open de Lyon Trophée V33.

Definitions

¹For the purpose of defining eligibility for selection for the 2018 European Ryder Cup team only, all references to Member(s) and Membership in the eligibility criteria referred to above shall mean only those European Members of the European Tour, whether Ranked Members, Affiliate Members, Honorary Life Members, Past Champions or other Members of distinction or Ranked European Members of the European Challenge Tour.

Note 1: Points won on The Ryder Cup Points List can only be earned by a Player whilst a Member¹ of the European Tour (as defined in the preceding section).

Note 2: For points earned to count within any one Official Season, a Ranked Member¹ (including a Ranked Honorary Life Member) must fulfil his Membership obligations* (referred to in Regulation B1(c)) within that Official Season.

* In the Official Season in which The Ryder Cup is to be played, if any Ranked Member¹ has not fulfilled these Membership obligations at the time when The European Ryder Cup team is selected, he must have committed to Participate in and there must remain sufficient Race to Dubai Tournaments in that Official Season for the Member to be able to do so.

Note 3: A Non-Member taking up Membership¹ of the European Tour for an Official Season that commences during the qualification period, (referred to in paragraph (1) above) can only earn points from the date of the first Race to Dubai Tournament of that Official Season or the first Race to Dubai Tournament for which the Player is a Member¹ of the European Tour, whichever is the latter.

Note 4: All decisions and/or disputes relating to a Player's eligibility for selection for a European Ryder Cup team including any issues relating to nationality, citizenship, domicile or residency of a Player will be determined by the European Tour's Tournament Committee, subject to the ratification of any such decision by the Ryder Cup Policy Board (as the same may subsequently be known) of Ryder Cup Europe LLP.
