DID YOU KNOW? D+D REAL CZECH MASTERS

- Danny Willett will become the first former Masters Tournament Champion to compete in the event when he tees it up at Albatross Golf Resort
- Willett is joined by 2016 Ryder Cup teammates Thomas Pieters and Lee Westwood in the field
- All four previous D+D REAL Czech Masters Champions – Jamie Donaldson, Paul Peterson, Pieters and Haydn Porteous – will tee it up at Albatross this week
- Petr Dedek, the sponsor and promoter of the event, also backs two tournaments on the European Challenge Tour; the D+D REAL Czech Challenge and the Prague Golf Challenge
- The first European Tour event to be played in the Czech Republic was the 1994 Czech Open, won by Per-Ulrik Johansson. The tournament continued between 1995-1997 and 2009-2011
- Albatross Golf Resort has hosted all four previous editions of the D+D REAL Czech Masters, which was first played in 2014
- This week's tournament is the penultimate event in the race for Ryder Cup qualification. The final chance to break into Thomas Bjørn's team will be at next week's Made in Denmark
- Two players have carded hole-in-ones at the D+D REAL Czech Masters, both in 2016. Richard Bland secured an ace on the seventh, while Daniel Gaunt holded out with his tee shot at Albatross Golf Resort
- The lowest score in the history of the event belongs to Thomas Pieters, who carded a 20 under par 268 at the 2016 edition of the tournament
- Haydn Porteous would be the first person to successfully defend the D+D REAL Czech Masters, should he triumph this week

Definitions

¹For the purpose of defining eligibility for selection for the 2018 European Ryder Cup team only, all references to Members¹ and Membership in the eligibility criteria referred to above shall mean only those European Members of the European Tour, whether Ranked Members, Affiliate Members, Honorary Life Members, Past Champions or other Members of distinction or Ranked European Members of the European Challenge Tour.

Note 1: Points won on The Ryder Cup Points List can only be earned by a Player whilst a Member¹ of the European Tour (as defined in the preceding section).

Note 2: For points earned to count within any one Official Season, a Ranked Member¹ (including a Ranked Honorary Life Member) must fulfil his Membership obligations* (referred to in Regulation B1(c)) within that Official Season.

* In the Official Season in which The Ryder Cup is to be played, if any Ranked Member¹ has not fulfilled these Membership obligations at the time when The European Ryder Cup team is selected, he must have committed to Participate in and there must remain sufficient Race to Dubai Tournaments in that Official Season for the Member to be able to do so.

Note 3: A Non-Member taking up Membership¹ of the European Tour for an Official Season that commences during the qualification period, (referred to in paragraph (1) above) can only earn points from the date of the first Race to Dubai Tournament of that Official Season or the first Race to Dubai Tournament for which the Player is a Member¹ of the European Tour, whichever is the latter.

Note 4: All decisions and/or disputes relating to a Player's eligibility for selection for a European Ryder Cup team including any issues relating to nationality, citizenship, domicile or residency of a Player will be determined by the European Tour's Tournament Committee, subject to the ratification of any such decision by the Ryder Cup Policy Board (as the same may subsequently be known) of Ryder Cup Europe LLP.
