DID YOU KNOW? - US PGA CHAMPIONSHIP

• The 100th US PGA Championship is taking place at Bellerive Country Club. The Missouri course has hosted the event on one previous occasion, when Zimbabwean Nick Price secured the first of his three Major Championship titles in 1992.

• There are 55 European Tour Members competing in the final Major Championship of the season. Of those, nine are playing in the US PGA Championship for the first time: Alexander Björk, Jorge Campillo, Paul Dunne, Mikko Korhonen, Mike Lorenzo-Vera, Adrian Otaegui, Shubhankar Sharma, Julian Suri and Matt Wallace.

• When defending champion Justin Thomas lifted the famous Wannamaker Trophy last year, it was the third consecutive year that a player had claimed their first Major title at this event, following Jimmy Walker in 2016 and Jason Day in 2015.

• Thomas is aiming to become the first player since Tiger Woods to win the event in consecutive years. Woods has achieved the feat twice, in 2006-2007 and 1999-2000.

• Rory McIlroy (2014 and 2012) and Vijay Singh (1998 and 2004) are the only players in the field to have won the US PGA Championship on two occasions. Only five players have won the event three times or more: Walter Hagen (1921, 1924, 1925, 1926 and 1927), Jack Nicklaus (1963, 1971, 1973, 1975 and 1980), Tiger Woods (1999, 2000, 2006 and 2007), Gene Sarazen (1922, 1923 and 1933) and Sam Snead (1942, 1949 and 1951).

• Jordan Spieth is targeting an historic achievement of a career Grand Slam. Only five golfers have won all four majors (The Open Championship, U.S. Open, Masters Tournament and US PGA Championship), though none have done it in the same year. They are: Sarazen, Hogan, Player, Nicklaus, and Woods.

DID YOU KNOW? - EUROPEAN TEAM CHAMPIONSHIPS

• The inaugural European Golf Team Championships is part of the 2018 European Championships - a new multi-sport event which brings together the existing European Championships of athletics, aquatics, cycling, gymnastics, rowing and triathlon, with golf included as the only new event.

• The golf competition takes place at the famous Jack Nicklaus-designed Gleneagles PGA Centenary Course - the venue for Europe's memorable victory over the USA in the 2014 Ryder Cup. It will also host the next edition of The Solheim Cup in 2019.

• The ground-breaking format will feature a 50/50 gender split in the field with male and female professionals competing for equal prize money in both a Men's and Women's Team match play Championship as well as an 18-hole foursomes

stroke play Mixed Team Championship.

• Male players ranked in the top three for their nations outside of those competing in the US PGA Championship will represent Italy, Portugal, Spain, Belgium, Norway, Iceland and Poland.

• Great Britain has a maximum representation of six teams - three each in both the men's and women's event, while Sweden is represented by five - two men's teams and three women's teams. England's Callum Shinkwin and Lee Slattery will play together in the first Great Britain team while an all-Scottish team of Connor Syme and Liam Johnston will be hoping for victory on home soil. Four-time Major winner Dame Laura Davies will headline the women's draw, playing with Solheim Cup star Georgia Hall.

EUROPEAN TEAM CHAMPIONSHIPS

FORMAT:

The tournament is a match play team event with each team comprised of two players.

The 16 teams will be seeded and split into 4 groups as follows based on the aggregate EGTC points total of the 2 team members.

Group A	Group B	Group C	Group D
1	4	3	2
8	5	6	7
9	12	11	10
16	13	14	15

Group Stages

Match Play: - Each team will play the other three teams in their group with each contest consisting of a four-ball match.

Points will be awarded for each team match as follows:

- Win - 2 points
- Halved match - 1 point
- Loss - 0 points

(Note: Should a player from any one team be unable to participate in any group stage match for any reason or retire during a group stage match Rule 30-3(a) applies).

After the completion of all three group stage matches, the team with the highest number of points in each group will proceed to the Semi-Finals.

If, after all the matches have been played, two or more teams are tied on points, the following criteria will be used to determine the finishing order within the group:

- Where two teams are tied within a group (in any position within the group) then their specific match result will be used to determine which team is placed higher in the group.
- If two or more teams are still tied for first place within the group then those teams will compete in a four-ball "hole-by-hole" play-off.
- NB. The play-off criteria is only used to determine the first place within the group. Therefore once this position is resolved there is no requirement to use a play-off (or to continue a play-off) to determine 2nd, 3rd or 4th positions within a group, i.e. The scores in the play-off for those players finishing below 1st place will be disregarded and then the specific match results will be used to determine the remaining positions in the group for those tied teams. If any matches between such tied teams were halved, then those teams will share the prize money for the respective tied positions in the group.

Knockout Stages:

The Semi-finals, Final and 3rd place (Bronze medal) play-off will be played in foursomes match play over 18 holes. In the event that any match is all square after 18 holes a hole-by-hole play-off will take place in order to determine the winner of the match.

(b) Each Official World Golf Ranking Point won by a Member¹ from all OWGR tournaments in which he Participates, excluding any tournament scheduled in the same week as a [European Tour] Rolex Series Tournament, that are scheduled to conclude between Thursday 24th May 2018 and Sunday 26th August 2018 and thereafter only in the Race to Dubai Tournament scheduled to conclude on Sunday 2nd September 2018 = 1.5 points.

Definitions

¹For the purpose of defining eligibility for selection for the 2018 European Ryder Cup team only, all references to Members¹ and Membership in the eligibility criteria referred to above shall mean only those European Members of the European Tour, whether Ranked Members, Affiliate Members, Honorary Life Members, Past Champions or other Members of distinction or Ranked European Members of the European Challenge Tour.

Note 1: Points won on The Ryder Cup Points List can only be earned by a Player whilst a Member¹ of the European Tour (as defined in the preceding section).

Note 2: For points earned to count within any one Official Season, a Ranked Member¹ (including a Ranked Honorary Life Member) must fulfil his Membership obligations* (referred to in Regulation B1(c)) within that Official Season.

* In the Official Season in which The Ryder Cup is to be played, if any Ranked Member¹ has not fulfilled these Membership obligations at the time when The European Ryder Cup team is selected, he must have committed to Participate in and there must remain sufficient Race to Dubai Tournaments in that Official Season for the Member to be able to do so.

Note 3: A Non-Member taking up Membership¹ of the European Tour for an Official Season that commences during the qualification period, (referred to in paragraph (1) above) can only earn points from the date of the first Race to Dubai Tournament of that Official Season or the first Race to Dubai Tournament for which the Player is a Member¹ of the European Tour, whichever is the latter.

Note 4: All decisions and/or disputes relating to a Player's eligibility for selection for a European Ryder Cup team including any issues relating to nationality, citizenship, domicile or residency of a Player will be determined by the European Tour's Tournament Committee, subject to the ratification of any such decision by the Ryder Cup Policy Board (as the same may subsequently be known) of Ryder Cup Europe LLP.
